

Combat Shooting Security Driving Close Protection **intensive course**

7. - 17. Mai 2015

Bodyguard and Security
Association

Bodyguards are the true
SAMURAI of modern times

Our approach

We do not try to be different, we make a difference.

BSA offers a unique portfolio of professional training within Europe. Our methods have adjusted or improved the American and Israeli standards, which set the guidelines for protection training around the world. The course offers a holistic, practical-oriented training, the aim and structure of which is to achieve the

necessary level of expertise and professionalism to protect the highest good "life" and defend it. In detail, the focus lies in the acquisition of the ability to spontaneously make the right decisions in the area of risk management and conflict resolution. Thus, new standards for personal protection experts and managers are set.

We offer:

Course completion:

International certificate from the Bodyguard and Security Association
Service ID card from the Bodyguard and Security Association - BSA

Advanced courses for team leaders and managers

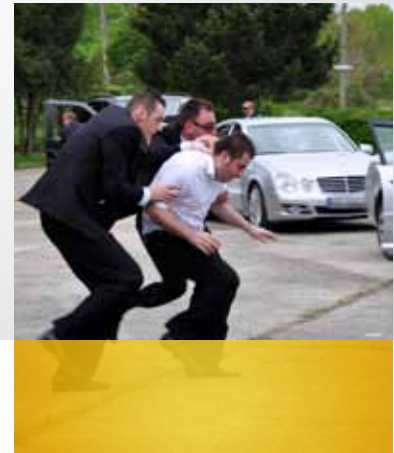

Combat Shooting

Tactical shooting from a moving vehicle, tactical use of firearms in extreme situations, teamwork during attacks, tactical defense of the protected person including evacuation.

Security Driving

Driving in various formations, advanced driving techniques (vehicle control, stopping, turning, reversing, handling different types of vehicles), advanced vehicle anti-ambush driving techniques (active & passive), vehicle evacuation under extreme stressful situations.

Close Protection

Realistic exercises, bodyguard and VIP protection skills - individual / team building exercises, immediate response in different urban landscapes.

3 in 1
3 modules - 1 price
